Profile

I'm a digital product designer with **6 years** of professional experiences love to create. and i have artistic eye and attention to details. i love everything can be created and defiend dynamic or intutive. And I'll summarize my career in the following points.

Experience

Senior Product Designer
NHC · Full Time Nov 2023 - Present

- Collaborated closely with product managers, developers, and business teams to ensure efficient, high-quality delivery.
- Designed and improved multiple user journeys across the Sakani digital platform.
- Worked on the Online Auction experience, Enhancing current experience and refining entry points and enhancing the notification system.
- Designed unit booking flows for real estate developers
- Conducted analysis and redesign for the online lending journey, ensuring clarity and usability.

Mid Product Designer
Innovadigits · Full Time Feb 2023 - Oct 2023

Creating visually appealing and user-friendly digital interfaces for websites, mobile applications, and other digital platforms For innovadigits's clients such as **TAM** in saudi arabia

UI/UX Designer
Salam · Out source Aug 2022 - Oct 2022

I worked at Salam as outsource for 2 months. and my role was to convert the same user experience on the web app to a mobile app

Junior UI/UX Designer
Baianat · Full Time Mar 2020- Jan 2022

I was committed to all aspects of the product life cycle from user research, ideation, wireframe, prototyping, and user testing to designing beautiful, simple user interfaces that people actually enjoy.
